

Dear Friends,

Arbor Heights Elementary is a Seattle Public School of approximately 400 students, grades K-5, located in West Seattle's Arbor Heights neighborhood. We are excited to announce our 2nd Annual...

Taking Flight! Auction on Saturday, November 13, 2010

We're gathering together to raise funds for PTSA sponsored opportunities including computers, instrumental music and general beautification of the school. Funds will also help pay for field trip buses, kindergarten aides, playground supervision, books and teacher supplies.

Please join us in celebrating this great neighborhood school by donating to our auction. We will graciously accept items, services, gift certificates or cash donations.

Thank you for your consideration!

Sincerely,

The 2010 Auction Committee
